## Tips for Using the Toronto Office

### Arrive with Time:

For international flights from Toronto, United recommends arriving at least **2–3 hours before departure** to accommodate check-in, security, and U.S. pre-clearance processing. ([Wikipedia](#))

### Use Online Tools First:

You can check in online up to 24 hours before your flight via the United website or mobile app — this can save time at the airport counter. ([FlightOfficeWorld](#))

### Avoid Unofficial Numbers:

Only use the listings above for official United support. Third-party or travel-agent lines can result in incorrect guidance or additional fees. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
