

# 1-866-829-1086 United Airlines Victoria Office

Here's a detailed overview of what “**United Airlines Victoria Office**” refers to — depending on which *Victoria* you mean — because there isn't a single official global corporate office with that exact name, but there *are* locations and ways to get service related to United Airlines in places called Victoria:

---

## **United Airlines Victoria Office — Victoria, Texas, USA**

In the United States, there isn't a large standalone United Airlines city ticket office in Victoria, Texas, but United *does serve the region through the local airport* and provides support via general customer service channels:

### **Victoria, TX (U.S.)**

- United Airlines is associated locally with **Victoria Regional Airport** (which supports flights connecting onward via other cities). ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
- **Airport Address: 609 Foster Field Dr, Victoria, TX 77904, USA** — home to the regional airport near Victoria. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
- **Phone (United Airlines U.S. Customer Service): +1-800-864-8331** — United's main customer service/reservations line you can call from anywhere in the U.S. to handle bookings, changes, baggage, and support. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
- **Email (General): [customercare@united.com](mailto:customercare@united.com)** — United's general contact email for inquiries. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
- **Official Website: <https://www.united.com>** — to manage flights, check flight status, check in, or get help online. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))

United doesn't appear to maintain an official city ticketing office building in Victoria itself — travelers typically work directly with the airport service desk (if flights operate locally) or contact United's national customer service for help. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))

**Victoria Regional Airport (VCT)** supports flight connections but United's specific counter availability depends on scheduled service — for direct help on travel days, agents at the airport will assist with check-in, baggage, and boarding needs.

---

## **United Airlines Victoria Office — Victoria, Canada**

Some travel directory listings show a **United Airlines Victoria Office presence in Victoria, Canada**, although this isn't a full standalone airline office — it typically refers to a *service contact point* used for local customer inquiries and support:

#### **Victoria, British Columbia, Canada**

- **Location:** Near **Victoria International Airport (CYYJ)** — an airport serving Victoria and surrounding areas in British Columbia, Canada. ([FlightOfficeWorld](#))
- **Phone (United U.S. Customer Service): +1-800-864-8331** — United customer service line serving all regions for reservations and support. ([FlightOfficeWorld](#))
- **Email: [customercare@united.com](mailto:customercare@united.com)** — general email used for inquiries. ([FlightOfficeWorld](#))
- **Official Website: [united.com](https://www.united.com)** — United's official online portal for managing flights, check-in, flight status, baggage questions, and travel tools. ([FlightOfficeWorld](#))

United's travel support in Victoria, Canada is generally provided through the proximity of service desks at the *airport* (if United operates flights there) or via remote assistance by phone and online — not through a large dedicated retail office building. ([FlightOfficeWorld](#))

---

## **General Ways to Contact United Airlines for Victoria Travel Needs**

Whether you're dealing with travel from Victoria, TX or Victoria, B.C., the most reliable ways to contact United are:

### **United Airlines Customer Service (Official U.S. Line)**

- **+1-800-864-8331** — United's main customer service and reservations number, reachable from the U.S. and often internationally through voicemail routing or toll-free access points. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))

### **Official Online Support**

- **United Website: <https://www.united.com>** — book flights, check in online, see flight status, manage reservations, start live chat support, and access customer care articles. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))

### **General Email Contact**

- **[customercare@united.com](mailto:customercare@united.com)** — used by many local listings as the general United contact for email inquiries. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))

---

## **Summary**

**United Airlines “Victoria Office”** generally refers to local service *points* associated with:

- **Victoria, TX (USA):** No dedicated physical city ticketing office — service is via **Victoria Regional Airport support** and United’s customer service line. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
- **Victoria, British Columbia (Canada):** Local listings describe service points around **Victoria International Airport (CYYJ)** with United support available by phone or online, not as a large standalone office. ([FlightOfficeWorld](http://FlightOfficeWorld))
- **Main United Contact: +1-800-864-8331** for bookings and help worldwide, and **united.com** for online tools. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))

If you tell me *which Victoria you’re referring to* (Texas, Canada, Australia, or another), I can tailor precise contact details — including airport counter locations and how to find in-person help on your travel day.
