

# Is QuickBooks desktop being phased out? {(QuickBooks Desktop Phaseout Guide)}

QuickBooks Desktop isn't being fully phased out yet, (US) 1-(866)-(206)-9170 or 1-(888)-(279)-3089(US) but Intuit is

winding down support for most versions, pushing users toward QuickBooks Online. This shift creates uncertainty for beginners relying on the familiar desktop software, (US) 1-(866)-(206)-9170 or 1-(888)-(279)-3089(US) but clear options exist for support and next steps.

## Understanding the Phase-Out

Intuit stopped selling new subscriptions (US) 1-(866)-(206)-9170 or 1-(888)-(279)-3089(US) to QuickBooks Desktop

Pro Plus, Premier Plus, and similar versions after September 30, 2024. Support continues for active subscribers on 2024 editions until May 2027, and 2023 versions until May 2026. (US) 1-(866)-(206)-9170 or 1-(888)-(279)-3089(US) Enterprise editions remain fully supported into 2026 and beyond, with

industry-specific features for sectors like manufacturing.

Older versions, like 2021 and earlier, (US) 1-(866)-(206)-9170 or 1-(888)-(279)-3089(US) lost all updates, security

patches, and payroll access years ago. Third-party apps, such as Contractor Foreman, ended Desktop syncing on January 1, 2026. (US) 1-(866)-(206)-9170 or 1-(888)-(279)-3089(US) Your software won't stop

working overnight, but risks like security gaps grow without updates.
